Enhanced Security Measure, Better Business Environment!

With our enhanced security measures, before entering the fairground, all registered buyers are required to present at the security checkpoints either

- a validated photo badge issued by the Organiser; or
- a validated buyer badge issued by the Organiser together with his/her valid photo-bearing identity document (e.g. passport, Hong Kong Identity Card)

Ensure your name on the buyer badge is the same as that on your identity document!

In case of discrepancy, please present the buyer badge together with your identity document in person **at any of our Buyer Registration Counters in exchange for a new buyer badge** during the fair period. HKTDC reserves the right to confiscate the concerned buyer badge or refuse admission of the badge holder in any arising disputes.

Get Your Photo Badge Enjoy Fast Track Entry to the Fairground!

Buyers with a valid photo badge can access to the fairground without showing their identity document at security checkpoints*. **In case you still not yet have your photo on the buyer badge, you could visit our Buyer Badge Photo Counters listed below in person to get your photo badge.** Each registered buyer can apply for one photo badge only. Successful registrants will receive a complimentary camera lens kit for smartphones as gift, whilst stock lasts (the picture is for illustration only, actual product may vary).
