Your business · Our mission |

Elite Treasures

The diamond business is a serious endeavour, where confidentiality and discretion are important characteristics. The Exclusive Showroom (Diamonds) caters to this requirement by offering an intimate environment where exhibitors of top quality diamonds can meet with knowledgeable buyers.

The diamonds can be examined in detail by prospective buyers, safe in the knowledge that discussions are private. Located at Meeting Rooms S221-S230 and S428B-S430, the environment is absolutely professional and secluded.

RAPNET[®]

DIAMOND TRADING NETWORK

RapNet – Diamond Search Kiosks

Buyers are invited to take advantage of the complimentary diamond search service at the RapNet Kiosk opposite Meeting Room S228 in the Exclusive Showroom (Diamonds).

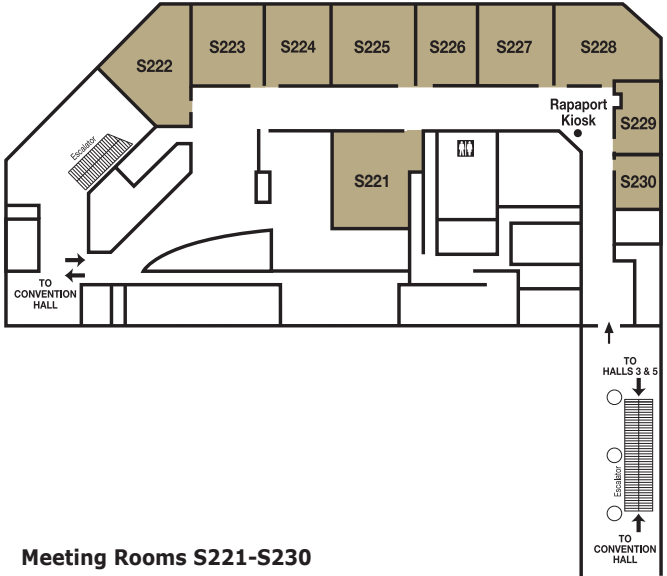

Designed to make your diamond buying at the Show easy – the kiosk enables you to search for specific diamonds that are located at the Show using the powerful RapNet search engine.

Notice to Readers

This special leaflet is not a mail-order catalogue. The products are traded directly by the suppliers in large commercial quantities for import, re-export and wholesale purposes.

The Hong Kong Trade Development Council makes no representation or warranty regarding the companies, their products or the potential infringement of any intellectual property rights of any third parties and accepts no responsibility, liability or obligation, in addition to any of the statements, photographs or illustrations appearing in this special leaflet. Inclusion of any particular item does not mean that goods or services have the approval of or are endorsed by the Hong Kong Trade Development Council. It is recommended that normal precautions be taken before any business is transacted with any company. Correspondence concerning any alleged infringement of any design, copyright, patent, trademark or other intellectual property right should be addressed directly to the company, not the Hong Kong Trade Development Council.

Floor Plan

Rapaport Hong Kong Limited

The Rapaport Group is an international network of companies providing world class, added value services that support the development of free, fair, efficient and competitive diamond and jewellery markets. Established in 1976, the Rapaport Group has

over 10,000 clients in 98 countries.

Rapaport Auctions for melee, single stones and certified diamonds provide an excellent opportunity for the diamond trade to buy and sell diamonds at cash prices. The large quantities and wide variety of merchandise attract competitive bids from a broad range of local and international buyers. Rapaport Auctions is committed to addressing the needs of the international diamond community for enhanced liquidity while presenting unprecedented buying opportunities. Monthly auctions are held in the Group's trading headquarters in New York, India, Hong Kong, Israel, and other global locations.

Information on the Rapaport Group Auctions can be viewed on www.rapaportauctions.com and representatives can be contacted by email at auctions@rapaport.com

Royal Gem

Royal Gem is a manufacturer of diamonds ranging from 2 to 50 carats, especially in White, Pink and Blue. Crafted by world-renowned polishers in Antwerp (Belgium) and Tel Aviv (Israel), Royal Gem continues to consistently supply some of the world's leading retailers with exquisite diamonds of all kinds. The company has a first class reputation for quality and reliability: delivering unswerving excellence in a timely fashion. Apart from a thriving retail business, clients include leading designers and brand names, international jewellery manufacturers of repute, and collectors worldwide.

Royal Gem recognises the need for complete assurance that each and every purchase is of the finest quality, cut and polished to perfection. Marketing is accompanied by wholly reliable and discreet customer services, catering to present and future needs with the same professional approach. Whatever a client needs, Royal Gem can be relied upon to deliver.

Alrosa Co Ltd

Alrosa, a state-controlled Russian company, is one of the world's largest diamond mining companies accounting for 30% of the total global rough diamond output. It has mineral reserves sustainable for the next two decades. The company concentrates on the development of long-term relationships with major market players with a level playing field for both domestic and external customers.

Excellent results achieved by the Alrosa Group in the crisis year of 2009 allow it to have an optimistic outlook for 2011, in which its rough diamond production is expected to amount to USD\$2,332.4m and the revenues from diamond sales to US\$3,526.0m.

Kapu Gems

Kapu specialises in manufacturing large-sized premium diamonds in Rounds and Fancy shapes in sizes 0.30 to 10.00 carats and above. With two state-of-the-art factories, Kapu can assure customers of a consistent supply of large-sized diamonds at the best competitive prices as the company receives direct rough supply from Rio Tinto, BHP Billiton and Harry Winston diamonds. More than 58% of sales are made through the website www.kapugems.com.

Product specialisation:

Kapu specialises in manufacturing large-sized solitaires in Rounds and Fancy shapes:

- Sizes 0.30 to 10.00 carats and above
- D to J colours and FL to I2 clarities
- Inventory of more than 3,000 GIA certified stones
- More than 90% of total production comprises EX EX EX cut diamonds - resulting in an excellent level of fire and brilliance in the diamonds
- Customers can easily save valuable time and effort because all their stones are GIA, IGI or HRD certified

DIANCO (HK) LTD.
Bringing diamonds to life

Dianco (HK) Ltd.

Dianco (HK) Ltd. is an associated company of D. Navinchandra Exports Pvt. Ltd. (D. Navin), founded by Shantibhai Mehta and Navinbhai Mehta four decades ago.

In 1970, what started as a small family business manufacturing diamonds in Mumbai expanded globally, to make D. Navin the preferred supplier of quality polished diamonds to jewellery manufacturers the world over.

With a steady supply of rough from three of the leading mining companies of the world - Rio Tinto, Alrosa and BHP Billiton - the company has a clear competitive advantage in the polished diamond market. Through its head office in Mumbai and marketing affiliates in Antwerp, Dubai, Hong Kong, New Delhi and Hyderabad, the company also has access to major diamond markets around the world.

The vision of the founders is now supported by the zeal and business acumen of the next generation, Samir Mehta, Manoj Mehta and Ajesh Mehta. Recognised with various awards from the Gem & Jewellery Council for outstanding export performance, D. Navinchandra Exports Pvt. Ltd. believes that there is nothing more precious than the faith of a satisfied customer.
